 - or something like this -

the way I'm feelin  
 there aint no tellin  
 where this is gonna go  
 there aint no tellin  
 where to start healin  
~~and~~ and where to go

Kayla Tellya's "Jessica Alpert" was tormenting her with the song while drugging her food with H.F.H causing emetic toment further than a song, and also with Ecstasy from day to day.

She'd also use Ecstasy and molly to make her look happy the next ~~day~~ day so that when people saw her out at the club or at work where there departments will look for expert witnesses witnesses of her fears then they could testify to their belief that she was mentally ill and had had mood swings.

Not knowing the her girlfriend was drugging her food and DRINK TO cause these mood swings. Jessica had gotten these ideas from Police corrections officers that use to come home bragging at Jewell And Mountain view trailer parks that worked at current and old jails of Broom Tiohn and Tompkins county N.Y. Some still work at the new jails.

These departments will also rent radio time to later manipulate and gamble bet on outcomes of her action

after hearing that song or Artist while at the house with me or in the truck with me.

And they'd use HAM RADIO or company radio to communicate and place bets to gamble on her action with other people.

They later gambled and bet on her peers actions in court when she asked for a trial and her mental well being was discussed because of the mood swings from drug use food and drink and and Doctors later made decisions on those statements in court as well as her concerns that were mostly from illegally obtained information from her personal belongings. That her loved one Jessica had access to that was given to police from Jessica. with illegal search of belongings without warrants from Judges or orders to produce warrants given to Police.

Kayla is also being targeted because of her friendship to me after I sued the workers of the jails in 1995 along with the medical department.

We had went to Mount Rushmore together in the year 2000.

We had went to Yosemite in 1999-2000 and other parks when Police and State Departments targeted us me and Mike Ruteen and Jessy Stanley in 1998 thru 2000 and Ruby Schumacher.

WHEN MY IDENTIFICATION WAS LAUNDERED BY POLICE AND INSURANCE COMPANYS WHEN I AND OTHERS NAMED WHERE IN FACT TARGETED POLICE USED EDEN PRESS OF MOUNTAIN VALLEY CALIFORNIA PO Box of 8410 TO REQUEST NEW IDENTIFICATION AND SCRAMBLED ALL OF IDENTIFICATION TO CREAT NEW PERSONLE IDENTIFICATION "LAUNDERING" CAUSING SO MUCH FRAUD THAT THE SOCIAL SECURITY DEPARTMENT HAD NO CHOICE OTHER THAN REPLACE OUR IDENTIFICATION IN DEPARTMENT RECORDS SOCIAL SECURITY ADMINISTRATION.

KAYLA ZEYLA ALSO HAD GONE THREW THIS AS WELL AS MR MRS ROYCE AND JESSY STANIP.

ALSO THEFTERS CAUSED WITH DEPATMENTS MEDICL IDENTIFICATION FRAUD TO MAKE RECORDS LOOK AS IF MEDICL DIGNOSSES'ES TOOK PLACE FROM FRAUDSTERS AND SCAMMERS ON OUR INFORMATION TO LATER OR AT ANYTIME PRAME.

USING SECTION 409 AND 444 OF BUSINESS AND CORPORATICLE LAW SECTION A-C PROXIE LAW TO IMPERSONATE US BOTH AND ALL TO TARGET, STEAL, GHOST AND LAUNDER, PROPERTY AND ACCOUNTS CONNECTED TO IDENTIFICATION WITH PROXIE LAW TO make

Denise is a self reliant, Respectful and caring to people. Not only to people she knows as well to people she doesn't know.

She has her beliefs that she ~~don't~~ push on others although follows herself and is a hard working woman.

She said to others and myself if people need to find something to keep yourself busy. That people can help work in the business and alot of the time a handful of people do just that.

This is reiterating the fact as to how caring she is in the paragraph above.

I've known Denise most all of my life and she's always had the same outlook positively on Day to Day jobs and work.

As I explained in my last phone call to Matt Brown I am and my wives are going through fraud and are targeted by Police and departments of the State of New York.

Police of the State of New York to target marriage and documents that were requested while a corrections officer was under investigation for murder of Shannon Schumacher (Maden Name Stames).

They have since targeted marriage documents our person papers and property to make us look as if we are gay, sex criminals, telling or witnesses.

To bring forth questions of if we are lying or telling the truth and to bring forth questions or if we are witnesses to bring forth questions of if we are witnesses.

And to further make investigation involved a lovers quarrel and stress in marriage and relationship with more than one female.

Causing forgery and Ghosting of information and forging marriage licenses in state departments violating Declaration of independence in our municipality marriages.

And forging marriage licensing to cover up stealing and laundering with Parole Judge Cook, J.R. Wright and other officers of their department.

Causing adoption papers to be ghosted, pirated and meached off.

Stealing me and my money and women with their departments of the State of New York.

And when they do these things make bets on the actions of me and my women and the outcomes of our actions and punish us. As explained in lawsuit papers sent to court with this letter.

Also making forged and pirated information look as if ~~facts~~ ~~sets~~ crimes occur thru identification theft as said. Adoption Papers of me by townships were forged by Parole Judge and Family of their departments and to keep mental health facilities involved with

involved with state of missouri and insurance companies used to launder information and cause fraud that department investigators and use departments employed by state to sort out and steal

White officers and friends of officers use money and insurance to use imbedded money to quickly get rid of money and spend and spread out spending of money and imbedded throw work at corporations.

While a company makes a 30 thousand dollar transaction, they deposit another 30 thousand of dirty money in company accounts and spend 30 thousand of clean money on jobs while depositing 30 thousand of dirty money to claimable accounts insured.

And use a Septia Partner company laundering money, and is laundered for or stolen from and laundered for to spend on company or buy claimable assets to accompany as a pay out for justified action of a person.

To cover for fraud claims and reports companies will pick up fraud claims to sort out to get a fraud case closed and steal money with coverage from police that are looking into fraud that cover for company that are stealing

I identify 'thiefles for adoption papers parole judge cock 's news and chosen down Williams Joseph Shriver's Patriote Sargent That Killed my Foster Father Rusty ~~twisted~~

They "Thier departments" keep harrassing to make people look mentally ill to keep mental medicine department involved with records that are forged. And to make records look as if Gay relationships or ~~relations~~ have taken place to make there investigation look stressed on marriage to my Wifes at Minneapolis Building. And as stated as if sex crimes have taken place to call a mental health disorder is occurring. The records they elegaly obtain are from a murder investigation of officers of virginia and Joseph Kurtz "Patt" that has worked for Joseph Shriner in Broom county Patrole and corrections; that ~~was~~ <sup>has been</sup> directed and forged to confuse facts of my marriage to my women on newbark and entered border. After I put in a 440 motion that was accepted and a Hegeus corpus in, the exposed thier Police Laundering with requested judges on cases and forging in New York in 2010.

And I and my women "Wifes" have since been targetted with varieties of tactics not limited to described in this letter and lawsuit add on letter Affidavit of facts.

And to make records look as if they're not guilty of my Father's murder when a name change of my name was Thomas Townsend. When in fact's they are and when they're making records look as if they are not will force some one to take responsibility for his murder when evidence is presented. AS a Bible representation of the Book of Moses of a sacrifice of a female anatomy of Breeding age and ability.

As explained in this letter, forged adoption records with Cook  
Pope Judge's family Dawn Williams, they use forged copy's  
of my adoption records to make Dawn look like she was  
adopted by a Debra Shriner family to Joseph Shriner of  
Rochester that murdered my Foster father that lived on Michigan  
hill in Wilseville New York.

Also Rusty TOWNSEND my Foster Father is on a Federal  
Missing Persons list and Dawn Williams is on a Federal watch  
list for electronics called WIDGET.
